

Nightcliff Uniting Church seeks new Minister, Deacon or Pastor (0.75)

About us

Nightcliff Uniting Church (NUC) is a smallish faith community that has journeyed for nearly 60 years in Darwin. NUC desires to be a faith community that offers safety, tolerance, diversity, and compassion to those marginalised in our community. The NUC community extends beyond Sunday worshippers, to our key activities including Op Shop, Frilly's Fair Trade coffee shop and The Mulch Pit (community garden); and participants in specific worship and community activities held on our property. Intergenerational worship and community activities have been a priority for many years. Nurturing the spiritual development of our children alongside our older folk is an integral part of our sense of God's call as a community. NUC has a strong ethos of lay leadership and participation. Our connection to First Nations people is also central of who we are as we continue to grapple with the concept of 'Covenanting' with First Peoples.
